

## Alternate Parking (for the Cool Kids)!

If you come to the race after 630 – we highly recommend you go straight to 130 Wheeler Street. There is a large lot in front of the schools, lot behind the schools and plenty of on street parking.

Parking is allowed on Wheeler Street both sides!

For those who didn't listen: If you go to Brandeis and the lots are full, just continue to end of Brandeis, take a right on Greenwood, right on Hartman, right on Meadowbrook. That will lead you to the parking above!
